

**Remarks/Arguments**

Entry of the foregoing amendment is respectfully requested. It is respectfully submitted entry of the foregoing amendment will place this application clearly in condition for allowance.

In an Office Action dated March 2, 2006, the final office action was withdrawn and a new non final office action issued. The non final office action states that it responds to the amendment filed February 9, 2006, but undersigned believes that in light of the substance of the office action, the office action was responsive to the earlier amendment filed January 3, 2006.

In the office action of March 2, 2006, claims 1, 3-6 and 12 are allowed, claim 9 is rejected, and claim 10 is objected to and indicated allowable in independent form.

According to the foregoing amendment, claim 9 has been canceled (without prejudice), claim 10 has been written in independent form, and claims 1, 3-6 and 12 have been maintained.

Accordingly, it is respectfully submitted all claims in this application are now in condition for allowance.

Favorable action is respectfully requested.

Respectfully submitted,
